Baton Rouge, La 70811

Disaster comes in all shapes and forms. Down here in Louisiana we think of hurricanes, floods, tornados, and fires. It happens suddenly and cause much suffering or loss to many people. Actually, a disaster is any event defined by the need for external assistance.

The Department of Louisiana VFW Auxiliary has established a Disaster Fund which is used to offset some of the loss sustained by our auxiliary members due to one of these occurrences.

You only have three (3) months after a disaster to submit an application with supporting documentations (pictures, newspaper clippings, police or fire reports, etc.) to the Disaster Chairman. Only one application each per event please. You must be living in the residence at the time of the disaster.

We need donations to continue this fund. Due to all the disaster that we had last year our funds have been depleted. So, we are asking that any auxiliary that can give a little extra this year please do so.

Please send all donations to our Department Treasurer: Margaret Nixon, 3526 Anthony Road, Florien, LA 71429

Awards:

Citation to each Auxiliary Contributing to the Disaster Fund by 5/31/24.
