## LET YOUR VOICE BE HEARD

Resolutions are an important part of all changes to the National By-Laws.

It is up to you as a paid member of this organization to let your thoughts be heard.

Don't sit there and complain about the problem do something about it.

If not, the problem continues to exist.

If there is something that you think needs to be changed.

Present it to this committee and we will take it under consideration and will help you compose the change and then send it to National for their approval or not, with possible changes.

Respectfully Submitted
