LET YOUR VOICE BE HEARD

Bylaws and Resolutions are an important part of to our organization it is our way of suggesting changes to Podium Edition Bylaws and Ritual

It is up to you as a paid member of this organization to let your thoughts be heard.

Don't sit there and complain about the problem do something about it.

If not, the problem continues to exist.

If there is something that you think needs to be changed.

Present it to this committee and we will take it into consideration and will help you compose the change and then send it to National for their approval or not, with possible changes.

Respectfully Submitted

Lynette Chiasson
